## **CBS SPORTING CLUB TO OPEN THIS JULY AT PATRIOT PLACE**

The Kraft Group and CBS to open newly renovated gastro sports pub this summer under Big Night Entertainment Group management

**FOXBOROUGH, Mass. (May 25, 2018)** - The Kraft Group and CBS, in partnership with Big Night Entertainment Group (BNEG), today announced that **CBS Sporting Club** is slated to open July 2018 at Patriot Place. CBS Sporting Club is a modern gastro sports pub-in the heart of Foxborough's Patriot Place.

CBS Sporting Club is located in the previous CBS Scene space, which closed earlier this year for a significant, multi-faceted renovation and concept refresh after 10 successful years of welcoming millions of fans attending events at Gillette Stadium. The Kraft Group and CBS, co-owners of CBS Sporting Club, signed BNEG to a management agreement for the new restaurant, which boasts an elevated culinary program, audio and visual upgrades, and BNEG's award-winning hospitality. BNEG is New England's preeminent hospitality group, owning and operating a dozen restaurant and entertainment venues in Massachusetts and Connecticut, including Scorpion Bar Patriot Place.

"Ed Kane and his talented team at BNEG have done an excellent job in taking the CBS sports and entertainment concept at Patriot Place to the next level in hospitality and we cannot wait to unveil this new space to our guests later this summer," said Patriot Place Vice President and General Manager Brian Earley. "We believe the many improvements made to the restaurant's design, menu and technology will make CBS Sporting Club the region's premier sports and entertainment viewing destination."

The fully renovated 6,000 square-foot space offers a new aesthetic and modern design from renowned designer Peter Niemitz, complete with cutting-edge technology throughout. The location features unparalleled views of the excitement at Gillette Stadium, with updates including 290 seats with stadium-style seating, an expansive indoor bar, and updated outdoor patio and bar. Guests can catch all the game day action on CBS Sporting Club's custom 25-foot LED TV, and multiple HD TVs scattered throughout. The space is also equipped with a top of the line sound system designed by Sound Investment.

"We are excited to introduce CBS Sporting Club to Foxborough and look forward to debuting the new design, a brand new menu, and an elevated guest experience this summer," said BNEG Principal Ed Kane. "We couldn't be prouder to partner with the Kraft Group and CBS on this project and are eager to welcome fans, visitors, and our neighbors to the new CBS Sporting Club."

A gastro sports-pub at its core, the CBS Sporting Club menu offers a variety of dishes and sharable plates featuring fresh, bold ingredients with a modern twist on New England classics. Guests can

enjoy menu items like creamy clam chowder, lobster roll, flatbreads, Wagyu burger and more. The beverage program offers traditional and newly crafted cocktails as well as carefully selected beer and wine lists.

In advance of the July opening, CBS Sporting Club is hosting a job fair on Wednesday, May 23 from 1-4 p.m. and 6-9 p.m. All front of house and back of house positions available.
